

Description

Custom line 112 "WHISPER V" is a breathtaking yacht built in 2002 by the esteemed Ferretti shipyard and masterfully refitted in 2018/2022. Every visible detail—ranging from the wooden flooring, wooden/fabric wall panels to the ceilings, bathrooms, galley and all exterior teak areas were entirely renewed during the comprehensive refit.

A major overhaul (extended W5/W6) was carried out on the engines (2022), and both generators were replaced with brand-new units (2018).

A full-beam Master cabin was created on the main deck following the conversion of the lower deck's (Ex Master cabin) into two spacious double cabins (En Suite), resulting in a refined six-cabin configuration! In addition to her many impressive attributes, this vessel is renowned for surpassing the performance expectations of her class, capable of reaching speeds up to 30 knots, courtesy of her powerful twin MTU engines (2 x 12V4000 M90 2737hp).

FERRETTI CUSTOM LINE 112

BUILDER: Ferretti Custom Line
YEAR: 2002
