INVENTORY

ENGINE
VolvoPenta Diesel Engine, 18HP, appr. 2800 hours, very well maintained with Invoices for most of the services done, last bigger review in 2024 with new heat-exchanger and revised salt-water pump.
New exhaust knee and complete exhaust pipe from motor to hull in 2024

ELECTRICAL
Gel-Batteries, 2 cells with 240AH in total.
Solar panels on the bimini, with 2x100Watt, together with an MPPT-Controller from Victron.
With the solar panels and these batteries you can run all systems on board without shore power for unlimited time.

SAILS
- One set of original sails from 2012, mainsail in very good condition, jib in used but well refurbished condition.
- One set of new additional sails, mainsail made by Doyle from 2023 in excellent condition, jib made by Dustom Sails from 2018 in very good condition
- All lines run to the cockpit for easy handling even if single handed.
- Small jib-boom from Pfeiffer Marine for deep wind courses.

MOORING
- Windlass from Quick with 1100 Watt, very strong and reliable, new in 2023, with switch at the helm and at the anchor locker.
- Slightly oversized Anchor from Mantus, with 45m galvanised chain

NAVIGATIONAL

- VHF-Radio Raymarine Ray 49e
- AIS-System receiving and sending Raymarine AIS 700
- Chartplotter Raymarine Axiom 9 with Navionics Charts for Med
- Autopilot Garmin GHC10
- Multifunctional display Garmin GMI20
- Simarine Display for tank volume and battery status

ADDITIONAL EQUIPMENT

- Gas-Alarm system for Propane
- dinghy from Arimar, 210cm long, from 2018 with oars and bench in good working condition
- Outboard motor from Mariner, from 2018, with 2,5 HP, running perfect, well maintained very reliable
- SUP-Padel-board, from Aqua Marina, 9 feet long, with Finn and Padel
- Filter System for Fresh water filling
- Fans in both cabins and the salon, silent and powerful
- USB-charging sockets in both cabins.
- Sprayhood and Bimini from 2018, with extra shade in the cockpit when in a bay.
