

CA

Description

Refitted in 2022, the Sunseeker 34M exemplifies a harmonious balance of refined design, outstanding performance, and exceptional comfort. Powered by twin 16V 2000 M93 MTU engines, she achieves impressive speed and a range of approximately 1,250 nautical miles. Maintained to the highest standards, she accommodates up to eight guests in four elegantly appointed en-suite cabins, including a spacious owner's suite located on the main deck. Presented in immaculate condition with VAT fully paid, she is offered ready for immediate cruising.
