# M/Y D&D

---

A striking expression of contemporary design, exceptional space and eco-efficient cruising, offering a distinctive approach to life at sea.

Her standout features include a 32+ sqm Master Suite — among the largest in her class —, a spectacular 100 sqm aft deck and a light-filled, glass-enclosed salon designed for seamless indoor-outdoor living.

Her innovative semi-planing hull and ~4.5 kW solar panel array deliver enhanced efficiency and significantly reduced fuel consumption compared to yachts of a similar size and class.

Accommodating 8 guests in 4 beautifully appointed cabins, plus 4 crew, she combines impressive volume, comfort and innovative design in a truly unique 85-foot yacht.
