

CANTIERI DI PISA | AKHIR 100

M/Y KALIMERA brings together the unmistakable character of classic Italian yacht design with the comfort, technology and versatility expected for modern life at sea.

Following a comprehensive refit in 2025, she retains the timeless lines and authentic personality of the Akhir series while introducing a refreshed interior, an enhanced five-cabin layout for 12 guests, and an impressive level of technical, entertainment and watersports equipment.

Currently located in Greece, she presents an attractive proposition for both private ownership or charter use.
