ATALANTA Marine

SANLORENZO SL96

A striking expression of Sanlorenzo's timeless Italian craftsmanship, this SL94 combines refined luxury, impressive performance and exceptional onboard comfort.

Built in 2017, she underwent a refit in 2023, further enhancing her appeal.
Featuring a rare five-cabin configuration she offers beautifully appointed interiors, generous living spaces and the unmistakable elegance of Sanlorenzo design.

Combining impressive cruising performance with speeds of 26–29 knots and expansive outdoor areas designed for relaxation and entertaining, she delivers an exceptional yachting experience.
